Box 1561, Dublin, OH 43017

## July 2023

**When:** 7 p.m., July 19  
**Where:** Oakstone Academy  
900 Club Dr., Westerville  
**Presenter:** Kacy Tipton  
**Topic:** Carson City coinage

## July meeting

There's a certain romance to the 50 silver and 57 gold coins issued by the Carson City Mint between 1870 and 1893. Often as not, the tiny CC on the reverse of those coins, signals low mintage and high value. Kacy Tipton's going to talk about those coins during his CONA presentation.

Me, I still kick myself for spending circulated Carson City silver dollars in the early '60s. To a kid then, a dollar was 20 candy bars, 10 bottles of pop, 10 comic books or 14 popsicles. The silver dollar never really stood a chance. - **Gerry**

## June meeting

**CONA President Steve Petty presented a CONA speakers medal to George Kane.**

George Kane gave his presentation on post-colonial African coins, which covers the period from 1951 - 1993 during which many European countries gave up their control over various parts of Africa. George currently has 208 copins from 42 countries.

## Raffle

July raffle will feature an original 1961 Proof Set. Tickets are \$1 each; 6 for \$5; 13 for \$10. -- **Gary**

# Grading seminar

*By Dan Carroll*

Tony, Eric and John led a CONA grading seminar June 3, with a twist. Some of the coins were counterfeits, and so were the slabs they were in.

The trio presented us with 39 coins and tokens, along with Dan, Herman and Bob sharing some of their coins as well, bringing the total to 44 coins, notes and tokens to be graded, with the actual grades and comments covered.

We recorded our best opinions and thoughts about each piece. We graded and then passed them along to the next person. It was a mix of coins, tokens and varieties that we examined, even with the open-book format there were wide opinions.

Looking over my recorded grades, I had that feeling I get after some of Bruce's quizzes at our meetings.

A few confident answers and the rest a shot in the dark.

Jack, who moderates the Facebook Group "Dark Side-Counterfeits and Fakes" has generously shared with us 3 counterfeit items.

- 1899 Morgan Dollar in an MS64 holder, both holder and coin counterfeit.
- 1881 CC Morgan Dollar in an MS64 holder, both holder and coin counterfeit, (shown here)
- and a beautiful 1833 Large Cent in an NGC holder labeled for educational purposes only.

They look too good to be true and that is correct.
